Dear Shri Dhoot,

Sub: Utilization of your CSR Donation in 2019-20

With regard to your Company's CSR donation in 2019-20, we are happy to share with you the list of manuscripts for which transliteration and digitization have been done in the year 2019-20. These ancient and endangered manuscripts are from the **Shaiva Tantra** collection of the Nepal Archives , and form a part of "Paddhatis" or traditional rituals which are associated with deity worship. These texts are a rich source of India's cultural and philosophical heritage.

Manuscripts digitized with the support of Mangalam Drugs:

1. yoginivijayapii.thapuuja – 45 Folios
2. siddhilak.smividhaanam – 47 Folios
3. va"si.s.thadik.saakarmapaddhati – 86 Folios
4. kubjika.s.taavi.m"satikarmaarchana – 85 Folios
5. agastyasa.mhitaa – 95 Folios
6. yogapii.thakramodaya – 43 Folios
7. siddhilak.smii adhivaasanastha.n.dilaa – 91 Folios

This important work of preservation of our rich cultural and philosophical heritage found in these manuscripts has been possible thanks to your generous support of Rs. 5 Lacs in the previous financial year.

This year too, our work is continuing in Varanasi, and we look forward to your continued support.

Thank you,
